

I understand the concept of the new Farmland Preservation/Working Lands Initiative and Chapter 91 of the Wisconsin Statutes

If not, would you like further contact/information?

Name _____ Phone Number _____

I would like Richland County to adopt the new rules contained in Chapter 91 which includes the creation of base farm tracts, limit development on my property to a 1 to 20 ratio, issue conditional use permits instead of rezoning and receive higher tax credits.

I would like Richland County to keep the 35 acres minimum lot size in the General Agriculture and Forestry zoning district and keep our ordinance the same which would mean the conversion fees would be charged for all rezones.

I would like Richland County to keep our General Agriculture and Forestry zoning district the same but reduce the minimum size lot in the district to;

- 20 acres 15 Acres
- 10 acres 5 acres
- 1 acre 0 acres
- I recommend _____ acres

I would like to opt out of the Farmland Preservation/Working Lands Initiative altogether and request Richland County Create our own way of preserving farmland knowing that with this option I will not receive any tax credits.
