Director Report:

- A. Forehand reported that she and Kathy Sutton attended a meeting in McFarland with other child support agencies. The groups discussed what they were doing to meet their performance levels. Forehand indicated that they picked up some ideas that they will try to use in the local agency.
- B. The State sent the latest performance figures. The agency's caseload was up 6 cases from the same time the previous year. The agency continues to exceed the performance standard for paternity establishment. The agency was down .29% from the year. Forehand contributed that to an increase in teenage pregnancies which take longer to process. The agency is meeting its performance goal for support collection. Overall the agency's performance is up 1.20% in that category from the year before. The agency still struggles in its arrears. However, their performance is up 7.68% from the year before.

Next meeting is scheduled for February 5, 2015 at 10:00 a.m.

Motion made by Peters and second by Williams to adjourn the meeting. Motion carried. The meeting was adjourned at 10:50 a.m.

Respectfully Submitted,

Amy Forehand
