Citizen Comments:

Member Resignations: There have been no additional resignations on the committee. Myranda noted there are some members officially on the committee that have not attended meetings in over a year and this is causing issues when it comes to ensuring a quorum. Myranda would like to look into the statutes and see if anything can be done. If there are any options the committee could consider revising by-laws.

New Member Recommendations: There were no new committee member recommendations.

CST Enrollment Status: Cindy Robinson noted there are 15 individuals in process and a few others that are in transition. The recent allowance for kids to be in both CCS and CST has really allowed for more kids to be served. Laurie Couey noted the Children's COP program currently serves 38 kids.

Other Agenda Items: Faith Peckham and Amanda Miller noted they will be attending an Autism Seminar Thursday, April 26th from 10:00:am to 2:00pm and noted they will bring information back to the committee.

Amanda also noted the conference will be streamed and people are able to attend either in person at the UW Platteville Campus, or view it at the UW Richland Campus via streaming. The conference is free. The link for information on the conference was provided as well, www.uwplatt.edu/ttc/distinguished-lecturer-2018.

Adjourn: A motion was made by Faith Peckham and was seconded by Cindy Robinson to adjourn the meeting. Motion carried. Meeting was adjourned at 1:22 p.m.
