Resolution No. 21-93 authorizing the purchase of the Richland Electric Cooperative building was read by County Clerk Kalish. Motion by Manning, second by Severson that Resolution No. 21-93 be adopted. Motion carried and discussion continued. Frank questioned the amount and cost of renovations that are needed to be completed on the building for it to function in the desired capacity. Emergency Management Services Director Darin Gudgeon stated that a budget has been created and renovations would be kept to a minimum. Brewer asked if the building would serve other purposes than just an ambulance garage and Gudgeon noted that many

different operations would be housed within the building. Brewer also asked if the monetary donation is tied to the ambulance building and Gudgeon stated it was and that the process to secure a different location began in 2018. Murphy-Lopez makes motion, seconded by McGuire, to amend Resolution 21-93 to include the following language:

“WHEREAS the \$600,000 plus \$62,367 in interest is levied across the county as a whole over a 5-year period; and
WHEREAS the service area for the proposed facility comprises a geographical area consisting of 60% of the tax base; and WHEREAS the remaining 40% of the tax base already pays for ambulance districts operating from the villages of Blue River, Boaz, Cazenovia, Ithaca, La Farge, Lone Rock, Muscoda, Viola, and Yuba; and
BE IT FURTHER RESOLVED the EMS and First Responder districts outside of Richland Ambulance shall receive payments over a 5- to 10-year period using Joint Ambulance Committee Fund 51 or other Ambulance funding sources, proportionate to their tax base’s contribution paid toward the \$600,000 borrowing plus interest”.

Frank questioned whether or not the amendment considered Ambulance and Emergency Management Services together and Murphy-Lopez replied by stating that no portions for Emergency Management and Ambulance Services were broken out from one another. Severson commented on the taxation abilities of ambulance districts. Roll call vote was taken to accept motion to amend resolution. The motion to amend was defeated with 5 Yes votes (Murphy-Lopez, Luck, Cooper, Nelson, McGuire) and 15 No votes (Carrow, Van Landuyt, Seep, McKee, Brewer, Manning, Glasbrenner, Gentes, Turk, Cosgrove, Frank, Severson, Williamson, Couey, Kaul). Murphy-Lopez noted that the possibility of Ambulance Services becoming their own separate entity should be looked at in the future. Van Landuyt inquired about the protection of the neighbors and citizen Brian Larson expressed concern of the potential disruption in the neighborhood. Gudgeon stated every attempt would be made to mitigate any disruption. Severson noted that everyone in the county benefits from ambulance services. Roll call vote taken to adopt resolution as presented with no amendments. The motion to adopt Resolution 21-93 as presented with no amendments passed with 16 Yes votes (Van Landuyt, Seep, McKee, Brewer, Manning, Glasbrenner, Cooper, Gentes, Turk, Cosgrove, Frank, Severson, Williamson, Couey, Kaul, McGuire) and 4 No votes (Carrow, Murphy-Lopez, Luck, Nelson). The resolution was declared adopted.

RESOLUTION NO. 21 - 93

A Resolution Authorizing The Purchase of the Richland Electric Cooperative Building.

WHEREAS the Joint Ambulance Committee is actively working towards securing a new facility for the Emergency Medical Services operations and office space for the Emergency Management Department, and

WHEREAS, the County Board authorized a borrowing of \$600,000 for the design and acquisition of an emergency services facility; and

WHEREAS Rule 14 of the Rules of the Board requires County Board approval for any expenditure in excess of \$5,000 and the Finance and Personnel Committee has carefully reviewed this proposal and is now presenting this Resolution to the County Board for its consideration.

NOW THEREFORE BE IT RESOLVED by the Richland County Board of Supervisors that approval is hereby granted for the expenditure of up to \$600,000 less any funds from this borrowing heretofore expended on this project, for the acquisition of the Richland Electric Cooperative Building and any improvements needed to remodel the building for the intended uses.

BE IT FURTHER RESOLVED that this authorization is contingent upon the receipt of a \$200,000 donation from Robert Simpson for the specific purpose of purchasing the Richland Electric

Cooperative Building, with the total purchase price not to exceed \$350,000.

BE IT FURTHER RESOLVED that invoices for the purchase and remodeling expenses up to \$576,238.62, which is the remaining balance and shall be paid from Fund 75, and

BE IT FURTHER RESOLVED that any invoices for the acquisition and or remodeling cost in excess of the remaining amount of the \$600,000 borrowing shall be paid out of the Joint Ambulance Committee Fund 51 or other funding sources.

Arrears Collection Rate: 66.23%

CHALLENGES

Cash Wages: Many Non-Custodial Parents (NCP) receive cash wages and will not pay support on their own.

Pandemic: The pandemic made it difficult to enforce orders with unemployment and job loss. Counties struggled to balance empathy for families' needs and performance to maintain funding.

Improving Methods: Working to improve methods of doing things with the right people and job breakdowns after many years of using the same processes.

WHAT MAKES THEM UNIQUE?

Border Counties: The Southern region includes multiple counties that border Illinois, Iowa and a small portion of Minnesota. Participants regularly move across state lines which creates new challenges for caseworkers when keeping track of participant location and initiating intergovernmental actions.

"Pay or Appear" is a strategy used in Vernon County for NCPs that require extra accountability. The program requires payors to pay in full each month or appear in court. Prior to the pandemic the success rate of the program was about 75%.

Years of Service

COUNTY INITIATIVES

Children First: Dane County participates in the Children First Initiative which provides employment services to NCPs who are not paying child support due to being unemployed or underemployed. Children First ultimately leads to more involved parents and happier families.

Workforce Connections Inc.: WCI is a non-profit organization focused on helping Wisconsin residents manage their careers through career planning, job search assistance, and skills training. They adapt and respond to employment priorities in county areas including Crawford, Juneau, and Vernon.

Child Support Liaison: Rock County refers to the Child Support Liaison prior to initiating contempt action as proof to the court that they have exhausted all efforts prior to filing a contempt action.

CHILD SUPPORT COORDINATOR

Lorinda Patzner became Child Support Coordinator in November 2020 for the Southern Region. She served as a Wisconsin Works (W-2) Coordinator from 2012 to Nov. 2020. Lorinda has always been interested in the child support program and says, "It is a great place to work because of the people and the great things they do every day for the success of others." In Lorinda's personal time she enjoys getting out and hiking and experiencing the communities she works with.

To Whom It May Concern:

It was just wonderful to read in a recent "Observer" that the County Board is planning to hire someone to work with very young children and their families.

If I were only a few years younger, I'd want to apply!

It's amazing to think how important it is to begin "talking" to the youngest family members and reading to them at a very early age!

And it's great to also remember that among the various responses available, the children's book section at the local Brewer Library is available to everyone.

Many thanks! True progress!

Sincerely,

Mary Schnadt
