A Resolution Authorizing The Management Information Systems Department To Enter Into An Annual Contract For Encrypted Emails.

WHEREAS the Director of the Management Information Systems Department, Ms. Barb Scott, has recommended to the Finance and Personnel Committee that she be authorized to enter into a contract for the purpose of enabling all County employee-users of the Internet to send encrypted emails, with the proposed program also acting as a junk mail filter and providing an enhanced security level to protect the County and its data, and

WHEREAS the Finance and Personnel Committee has carefully considered this proposal and is now presenting this Resolution to the County Board for its consideration.
