Letter C. was added to the Fair, Recycling and Parks Standing Committee. Moved by Supervisor Glasbrenner to approve the change, 2<sup>nd</sup> by Supervisor Rudersdorf. All voting aye, motion carried.
- 9. Update to Civil Rights Compliance Plan Supervisor Glasbrenner requested discussion. Administrator Langreck stated that this is required every 3 years. The current plan has been posted. Standing Committee to decide who should handle that plan. Troy Maggid reviewed the information he handed out of what should be included by statutory requirements. Supervisor Brewer stated Mike Bindl will be attending an Economic Development Committee meeting as there has been comments concerning the Zoning Ordinance restricting growth.

Chair Murphy-Lopez questioned should the plan be moved to the Rules and Strategic Planning Standing Committee? Supervisor Gentes stated in the past there was a lot of work done with cluster housing and building but nothing was done to move forward. Supervisor Brewer felt the planning should be moved to this committee. Chair Murphy-Lopez asked that this committee wait for Land and Zoning Standing Committee feedback before we make a decision how to proceed. The next couple month discussion should be who will be in charge of oversite of the plan with completion to be by 2024.

Danielle left at 10:40 a.m.

Discussion was called for 7, 8, 9 and 11.

Moved by Supervisor Brewer to approve 5, 6 10 without discussion, 2<sup>nd</sup> by Supervisor Glasbrenner. All voting aye, motion carried.

## 12. Richland County Strategic Plan -

a. Work Plan – Administrator Langreck presented 12.a. as a draft design and ask if this is how the committee would like to see it? Chair Murphy-Lopez felt on top of page 2 "Coordinate community develop and land use decision-making in Richland Center among institutional partners such as Richland County, Richland Center, Richland Hospital, and Richland Local School District", assigned to Rules and Strategic Planning Committee should be moved to Richland Economic Development Committee. No one was opposed.

Pg 3. Support business attraction and retention - *"Identify priority areas in the county for future industrial, commercial, or residential development"*, question was, should be Richland Economic Development Committee? Troy Maggid stated statute requires it be the Planning Commission. After discussion it was felt it should stay as is.

Pg 4. "Creation of a mentor program partnering tenured Supervisors with new Supervisors" & "Hold informal meetings with outgoing Supervisors and their successors to facilitate knowledge transfer", should be 2022 instead of 2024 for both and change Vice Chair to Rules and Strategic Planning Committee.

b. Service consideration matrix for committees – Administrator Langreck presented the Service Consideration Matrix spreadsheet, how it is designed and the expectations to responses. The vision is to send out to oversite committees of non-mandated services to respond how these can be met without future funding. June 17<sup>th</sup> will be a presentation to the public on conditions of the County, leading to discussion on how some non-mandated departments or services will work and how to seek funding.

Moved by Supervisor Cosgrove to approve b., 2<sup>nd</sup> by Supervisor Frank. All voting aye, motion carried.

- 13. Supervisor attendance at WCA conference Discussion followed concerning Rule 15.d. Rules of the Board. Supervisor Brewer stated training this spring was excellent. A lot of information can be obtained but we can't afford to send 21 people. A rotating scheduled should be looked at along with reimbursement, because of cost and budget. It was decided to look into the County Board budget because of the restructuring, to determine if there would be extra money and to look into other counties attendance to conferences.
- **14.** Future agenda items Murphy-Lopez none; Brewer none; Glasbrenner discussion on comprehensive plan with a report from the Land and Zoning Standing Committee; Rudersdorf none; Gentes discuss of a plaque for Victor Vlasak; Cosgrove none; Frank none; Fleming none.
- **15.** Adjournment Next meeting will be held Thursday July 7 @ 10:00 a.m. Moved by Supervisor Brewer to adjourn at 11:30 a.m., seconded by Supervisor Fleming. All voting aye, motion carried.

Minutes respectfully submitted by Cheryl Dull Assistant to the County Administrator

Agenda Item Name: Supervisor attendance at WCA conference

## **Recommendation and/or action language:**

A motion to forward a resolution regarding supervisor attendance at the upcoming WCA conference

## **Background:**

At the last Rules & Strategic Planning Committee meeting, the committee discussed researching how other counties handle supervisor attendance at the <u>annual Wisconsin Counties Association (WCA)</u> <u>conference</u>. County Board Chairs were contacted in 14 peer counties, with 11 responding to the following questions:

- 1. How many County Board supervisors usually attend the WCA conference?
- 2. Does the County pay the registration fee, lodging, meals, mileage, and/or per diem?
- 3. Does the County budget separately for the WCA conference attendance, or is it wrapped into a larger budget line item for the County board?
- 4. Does the County encourage supervisors to attend the WCA conference? If so, how?

Answers from each county are included in the appendix. It appears that an average of 25% to 30% of County Board members attend. Most counties cover all the associated costs. Most County Board Chairs replied they do not budget separately for the conference. Almost all counties encourage their Board members to attend, and most counties do not limit attendance.

A resolution has been drafted to facilitate the process of encouraging County Board members to attend this year's conference:

## A Resolution Encouraging County Board Supervisors to Attend the WCA Conference

WHEREAS the Wisconsin Counties Association hosts an annual conference to promote education and networking of County Board supervisors across Wisconsin, and

WHEREAS this year's conference in the Wisconsin Dells starts on Sunday, September 18<sup>th</sup> and ends on Tuesday, September 20<sup>th</sup>, and

WHEREAS Richland County covers the cost of the registration fee, mileage, lodging, and per diem, and

WHEREAS WCA does not charge a registration fee for newly elected County Board members, and

WHEREAS the early bird rate of \$175 for registration of veteran County Board supervisors ends on August 5<sup>th</sup> and increases to \$220 on August 6<sup>th</sup>.

NOW THEREFORE BE IT RESOLVED that all County Board supervisors are encouraged to attend the WCA annual conference for education and networking purposes, and

## Agenda Item Cover

BE IT FURTHER RESOLVED those wishing to attend should contact the County Clerk by July 31<sup>st</sup> to take advantage of the early bird registration rate, and

BE IT FURTHER RESOLVED that this Resolution shall be effective immediately upon its passage and publication.

Agenda Item Name: Responsible committee for update of the comprehensive plan

## **Recommendation and/or action language:**

Motion to forward a resolution to the County Board to change the Committee Structure document moving responsibility for the comprehensive plan from the Land & Zoning Standing Committee to the Rules & Strategic Planning Standing Committee.

## **Background:**

Richland County's current comprehensive plan is located at: <u>https://www.swwrpc.org/our-</u> <u>work/comprehensive-plans</u>. Currently the <u>Body (committee) Structure document</u> gives responsibility to the Land & Zoning Standing Committee for the Comprehensive Plan, "*Provide oversight and advice (i.e., policy-making determining the broad outlines and principles governing administration) regarding the Richland County Comprehensive Plan.*"

At last month's Rules & Strategic Planning Standing Committee meeting, the committee discussed an update to Richland County's comprehensive plan. Since then, the Land & Zoning Standing Committee met and took action supporting the idea of shifting the responsibility for the comprehensive plan from their committee to ours. A resolution has been drafted below for the committee's consideration.

## A Resolution Shifting Committee Responsibility for Richland County's Comprehensive Plan

WHEREAS the Land & Zoning Standing Committee currently has responsibility for oversight of Richland County's comprehensive plan, and

WHEREAS Richland County's comprehensive plan was adopted by the County Board in 2007, and

WHEREAS a comprehensive plan covers the issues of housing, transportation, utilities, community facilities, agriculture, natural/cultural resources, economic development, intergovernmental cooperation, and land use, and

WHEREAS the strategic plan sets a goal of updating the comprehensive plan by 2024, and

WHEREAS the Rules & Strategic Planning Standing Committee is best situated to provide oversight for this task, due to their oversight of the strategic plan, and

WHEREAS the Land & Zoning Standing Committee took action at its June 6<sup>th</sup> meeting to support shifting this responsibility.

NOW THEREFORE BE IT RESOLVED that the Committee (Body) structure document is amended to shift responsibility for Richland County's comprehensive plan from the Land & Zoning Standing Committee to the Rules & Strategic Planning Standing Committee, and

BE IT FURTHER RESOLVED the Rules & Strategic Planning Standing Committee shall develop a scope, budget, and list of potential contractors to update the County's comprehensive plan, and

## **Background:**

The current Strategic Plan says,

"The Strategic Planning Committee, in collaboration with the County Administrator, will develop a comprehensive Capital Facilities Plan in 2022 that will include:

- *An inventory of existing capital facilities owned by the county,*
- A forecast of the future needs for such capital facilities;
- The proposed locations and capacities of expanded or new capital facilities;
- At least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes;
- A requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

"It is the intent of the committee that the following information be considered by County Board Supervisors as we begin the development of the Capital Facilities Plan and work through our 2023 budget. Listed below are some upcoming significant expenditures that are examples of capital improvements that are needed but should not be considered all inclusive ..."

The attachment shows the draft Capital Facilities Plan as presented to the Finance & Personnel Committee at its June 22<sup>nd</sup> meeting. This agenda item is intended to give the committee an opportunity to provide feedback on the draft Capital Facilities Plan.

The Capital Improvement Program is built on the assumptions of the \$8.5million Radio / Tower Project borrowing and continued short-term note borrowing of \$1,050,000 annually.

Richland County has a five year plan for Capital Expenditures with ten year projection on multi-million dollar projects requiring bonding.. This ten year plan will be submitted by July of each year from the Finance and Personnel Committee to the Richland County Board for approval. The Capital Improvement Plan has been subdivided into improvements which are to be levied for under operations, paid for by sources other than tax levy, or borrowed for under debt-service levy. County Staff will ensure that all expenditures that meet the definition of "Capital Project" are included in this plan annually prior to the start of the County Budget approval process. When the County budget process begins, the Capital Improvement Plan will guide what is included in the budget presented to the Finance and Personnel Committee. The Capital Improvement Plan shall be used as a planning tool to assist with the annual budget and certain projects may remain unfunded when the County Budget is ultimately adopted by the County Board.
