Background: *(preferred one page or less with focus on options and decision points)*

On December 13th, 2021 the Wisconsin Counties Association hosted an educational webinar on Committee Structure and Rightsizing. The webinar is available at https://www.wicounties.org/wca-studio/. Committee attendees are encouraged to watch the entire video, however the committee will view the following segments if time permits:

- 5:10 – 16:10
- 19:20 – 20:15
- 25:30 – 40:05

Attached are the documents referenced by the La Crosse and Ozaukee County Administrators. These are the equivalent of Richland County's committee structure document. Both administrators discussed the benefits of rightsizing each county's committee structure. Should the Rules & Resolutions Committee desire to pursue committee restructuring, options would need to be drafted for consideration.
