### **WORKING LANDS INITIATIVE: HOW WILL IT AFFECT MY LAND???**

The Richland County Zoning and Land Information Committee will be holding two public hearings concerning the adoption of new rules affecting lands that are currently zoned General Agriculture and Forestry. The townships of Akan, Buena Vista, Dayton, Eagle, Forest, Henrietta, Marshall, Orion, Richland, Westford and Willow have most of their lands in this zoning district. The new Working Lands Initiative law will change how landowners can subdivide their property if the Richland County Board of Supervisors approves the ordinance amendment. These public hearings will give landowners the opportunity to come and ask questions concerning their property. There will be a representative from the Department of Agriculture, Trade and Consumer Protection in attendance to assist with the public hearings which are scheduled for:
