

Snowmobile Bridge Replacement Bids

The Richland County Parks Commission is seeking bids to replace 2 snowmobile bridges. They are both 40' x 12' wide with 2-15' approaches. The bridges must have a 25,000 lb load capacity. Complete specs and site maps are on file at the Richland County Land Conservation Department. Please call 608-647-8874 extension 3.

One bridge is located off of Seminary street in the City of Richland Center and the other is located off of Snow Valley Road in Rockbridge Township. Sealed bids will be accepted until 4:30 p.m. July 31, 2020. The bid should be enclosed in envelopes clearly marked Snow Valley and Seminary. **Proof of worker's compensation and proof of insurance will need to be included with the bid.**

The Richland County Parks Commission reserves the right to accept or reject any and all bids or to accept the bid deemed most advantageous to the county.
